

Elba Rosato DOC

With a bright cherry color, Elba Rosato DOC has an immediate bouquet of wild strawberry and orange blossom, a generous sip gives a balance between sweetness and flavor with rich progression. It is fresh and full of character, as well as versatile in its pairings.

Blend

Sangiovese, Aleatico

Name

Elba Rosato DOC

Soil type

Rocky, clay and sandy soil, originating from rock erosion and fluvial processes.

Harvest period

Early to mid September

Harvest Method

Manual in ventilated crates

Vinification

The grapes, selected on the plant, are de-stemmed and pumped into the press where they are briefly macerated; following a soft pressing, the free-run must is decanted cold into steel tanks, before being fermented in a controlled temperature between 16 and 20°C. There is no malolactic fermentation.

Refinement

The wine is refined "sur lies" in inox steel tanks until bottling.

Sensory Notes:

Brilliant cherry pink with onion skin nuances, the bouquet is immediately articulated with hints of wild strawberry, lime blossom and orange; by rotating the wine in the glass, hints of raspberry and hawthorn emerge more and more clearly. Its entry to the palate is immediately broad and sweet to quickly become sapid and juicy. The taste is smooth and long, embellished with returns of black cherry and lime.

Serving temperature

14°
